

LCC Summer Missions Initiative
Reference Form
(Application Due Date: March 1, 2010)

Background

The Loudonville Community Church (LCC) Summer Missions Initiative (SMI) was conceived to provide college age individuals with an opportunity to explore God's will for their lives by making innovative, short-term missions opportunities a reality. Young men and women are encouraged to apply if they are seriously considering full-time Christian service outside of the U.S. or to minority groups within the country as a long-term vocation. As presently conceived, the SMI evaluation committee will select 2 individuals annually who have submitted proposals for front-line Christian missions-related work covering periods from 5 to 12 weeks in length during the months of June through September.
