If your child is to take any medications while at camp, please have a doctor's permission slip to "self medicate". Medications will be held by the director and given to the child at the appropriate time to take. An inhaler will be allowed to stay with the child but will still need a permission slip to "self medicate". Please send medications in their original packaging and only the doses they will need for the weekend.

We are planning a fun filled weekend, so we suggest to
leave all electronics and cell phones at home!
